

## **Lanternfly Spotter Sprint 2 Backlog**

Tiffany Han (tianhui2) and Maggie Cai (maggieca)

Sprint 2 Product Owner: Maggie Cai (maggieca)

1. For the next sprint, we are looking to complete the following:
2. Visualize a global heat map, combining the reports of all users and display that on the homepage.
3. Refine implementation of leader board that displays the users of the highest kill counts.
4. Integrate OAuth
5. Improve the aesthetics of the website, formalize the header links as well as color schemes, content of error messages, and form contents.
6. Be flexible to add any new features / work on any fixes as well.
